

Questionnaire for dimensioning cable trolleys

1. Usage site:

Inside Other: _____
 Outside _____
 Wastewater treatment plants Average daily runtime of the system (h): _____
 Harbour _____

2. Ambient conditions:

Temperature in °C _____
 Air humidity, approx. in % _____
 Aggressive conditions (e.g. ammonia) (specify) _____
 Degree of soiling _____

3. Curves:

YES NO

4. Desired version:

Plastic Stainless steel
 Steel Explosion protection

5. Traversing path (m):

6. Max. permissible sag (m):

7. Max. travel speed (m/min):

8. Acceleration (m/s²):

9. Max. track length (m):

10. Max. permitted docking station length (m):

11. Fixed cable lengths:

12. Additionally required:

Collector clamps:
 Collector trolleys:
 Control trolleys:
 Terminal boxes:

13. Do profile specifications exist?

KWS 30: KWS 50:
 KWS 40: KWS 70:

14. Mounting of the festoon system:

At the ceiling: (with clamping bracket at track) With support stand: (with clamping arm mounted to wall)
 Other:

15. Does a project drawing exist?

YES NO

16. Remarks:

Contact data of the customer / Address for offer

Company: _____
 Customer number: _____
 Dept. / attn: _____
 Address: _____

 Tel.: _____
 Fax: _____
 E-mail: _____

Please send the completed questionnaire to:

+49 (0)40 / 87 08 59 78 - 9

How may we contact you after we have received your fax?
